SUBJECT: Review and Approval of Revised Project Operations Plan for
the Medley Farm Site

FROM: Jon K. Bornholm
Superfund Project Manager

TO: Addressees

Attached for your review and approval, if appropriate, is a copy of the revised Project Operations Plan for the Medley Farm Site located in Gaffney, Cherokee County, South Carolina. Although this Site has not been finalized on the National Priorities List (NPL), the Potentially Responsible Parties (PRPs) have signed an Administrative Order of Consent to perform the Remedial Investigation and Feasibility Study (RI/FS). The attached document was revised by the PRPs consultant, Sirrine Environmental Consultants, according to the comments the Agency sent the PRPs on the draft POP. I have attached another document entitled "Response to EPA, Region IV and SCDHEC Comments on the RI/FS POP for the Medley Farm Site" dated December 12, 1988. Please review and approve this document, if appropriate, by February 9, 1989.

If you have any questions, I can be reached at (FTS)257-7791.
